A: If you want to use German characters, you need to set it to German Windows (in the shortcut properties). To do so, open the "Shortcut properties" box, and select "Change the icon and title" in the "General" tab: Click on the "View available settings" button, and choose: The desired set of characters: You can find the German language pack at For the last 3 years I have designed a highly custom built DV camera system to meet all the needs of our business, most notably Quality Video and high resolution recording for on-camera and composites. Below is my custom build I used to shoot this feature: This year the unit was taken down for major surgery as the lens on the unit had developed some major vignetting issues. It was rebuilt with a Sony 4K sensor, changed the lens to a Mountaineer, brought the build up to 4K and used the Sony F4/5.6 as a better compromise between light gathering and resolution. I took it down to San Diego to shoot a new feature and brought it back up with the roll of film on it. Filming this for myself was a different type of experience that I am not used to, as I was getting used to a setup I was always at home and on my set, it was a little different driving up a canyon to set up for a shoot at 8am. Here is a behind the scenes video of my custom camera system and of the feature we shot: This is the first one shot by the camera system and the 2nd version we put in the final cut. Below is the sequence which we released in the cut and below that is the final released cut of the feature: We are looking to do another feature with the system next year, I will be more than happy to discuss the details with you.LOS ANGELES -- Any day now, the Los Angeles Kings and New York Rangers will be matched up on Hockey Night in Canada's annual outdoor game featuring best-of-seven series. Scalpers got a look at the rink the Kings have been using for almost a year and a half as two-thirds of the rink was lowered into place in the days leading up to the 2017 NHL All-Star Game in Los Angeles.
